1. Cost of each two week session is \$110.00 per student. Each additional session will also be \$110.00 per student.
2. Payment in full on first day.
3. Name and cell phone number of person picking up child from lesson on application.
4. Enter through side gate to swimming pool.
5. Do not dress your child outside of your car. This is a neighborhood.
6. Children should come dressed in bathing suits and bring a towel.
7. Boys must wear trunks that are short, above the knee. Long baggie trunks make it difficult to kick properly. Body gloves or under armor may be worn. No baggie cotton T-shirts.
8. Girls should wear appropriately modest swim suits.
9. Alcohol and vinegar will be administered to each child's ears, after class, to aid in drying of moisture. If your child requires ear plugs, send daily.
10. If conditioners or oils are applied to hair, a bathing cap must be worn.
11. Pull your child's hair back out of their face, so they can see clearly while swimming.
12. Classes will last for 50 minutes each day.
13. There will be 10 minutes between classes, so we will ask that parents pick the students up on time.
14. Parents are NOT allowed to observe classes while in session. Children receive instruction and perform better in training atmosphere not complicated by the presence of parents. Last day will be a Family Day, when parents are invited to view progress of their children.
15. Parking: Parents are not allowed to park and stay during the course of the lesson, due to limited parking space, except on Family Day, the last day of lessons.
16. Swim cards will be presented at the end of the last day of session.
17. In case of rain-outs we will do our best, weather permitting, to make up the classes missed.
